

# Personalized Support

The moment you prescribe their medication, the Ascendis Signature Access Program<sup>®</sup> (A·S·A·P) is available to you and your patients.

From starting therapy to insurance support to staying on track with their medication, A·S·A·P is there for your patients every step of the way.\*

With A·S·A·P, a dedicated team is available to help answer questions your office staff, patients, or their caregivers may have.

**Scan the QR code  
and enroll your patient  
in A·S·A·P today.**

\*The A·S·A·P program provides patient support services to eligible patients who have been prescribed YUVIWEL<sup>®</sup> for its approved indication.

# A·S·A·P Support

## Enrollment

Enrolling your patients in A·S·A·P helps ensure they receive one-on-one support throughout their treatment. This begins once you fill out the Enrollment Form and your patient's caregiver completes the Consent Form.

Scan the QR code or visit  
[Yuwivelhcp.com/starting-a-patient](https://yuwivelhcp.com/starting-a-patient)  
to access an Enrollment Form.

You will receive acknowledgment of enrollment when the form is received. If all information is completed on the Enrollment Form, a benefits investigation will be completed and sent to your office about prior authorizations (PAs).

Both you and your patient are assigned the same Reimbursement Specialist (RS). If he or she is not available when you call, another RS will be able to assist you.

**A·S·A·P team members are available Monday  
through Friday from 8:00 AM to 8:00 PM Eastern Time.**

# Insurance Coverage Support Services

## Supporting the Access Journey for Your Patients

Getting your patient started on treatment often means navigating complex insurance issues.

**A dedicated A-S-A-P Reimbursement Specialist (RS) is available to help:**

Confirm Enrollment and Consent Forms are received and completed

Seek insurance authorizations and reauthorization approvals

Manage the appeal process, if necessary

Review financial assistance options and work to avoid a gap in treatment during insurance reauthorization

**An Ascendis Field Reimbursement Manager (FRM) will work directly with your office staff to help with insurance barriers. They also will coordinate with A-S-A-P to:**

- Review incomplete enrollment and insurance authorization forms with your office to ensure all sections are filled in
- Provide sample Letters of Medical Necessity with instructions on how to prepare
- Stay updated on any health plan policy changes impacting patients
- Work with you and your office on the resubmission and appeal process

# Cost Support Services

## Co-Pay Program\*

If commercially insured and eligible, A·S·A·P may help your patient obtain treatment through the Co-Pay Program.

### Patients are NOT eligible if they:

- Participate in any federal or state healthcare program with prescription drug coverage, such as Medicaid, Medicare, Medigap, VA, DOD, or TRICARE
- Pay cash out of pocket for the prescription (the offer may not be redeemed for cash)

## Patient Assistance Program

The Ascendis Patient Assistance Program can provide free treatment, if your patient:

- Meets the eligibility requirements
- Is unable to afford treatment because they do not have insurance or are underinsured

Scan the QR code to view the full terms and conditions and eligibility criteria for the Co-Pay and Patient Assistance Programs.

DOD = Department of Defense; VA = Veterans Affairs.

\*Terms and Conditions apply. See Eligibility and Restrictions by scanning the QR code above.

# Patient Support Services

## Getting Started

Once enrolled in A·S·A·P, your patients or their caregivers can expect to receive the following:

- A Welcome Letter offering helpful insights on what to expect during the treatment journey
- A Starter Kit with helpful resources that will be provided after insurance verification is completed

## Support and Education

Your patient will be assigned a dedicated **Patient Access Liaison (PAL)** who will share important contact information and provide education on YUVIWEL.

Your A·S·A·P team will provide you and your office support with prior authorization and specialty pharmacy process, and with financial assistance options.\*

## Treatment Training for Your Patients

Your patient's PAL will provide injection education and training.

## Ongoing Treatment Support

The A·S·A·P team will provide resources and tools that will help keep your patient's treatment on track.

**Office staff and caregivers can call A·S·A·P at 1-844-442-7236 and select option 3 with any questions.**

**Patients must be enrolled in A·S·A·P to take advantage of these support services.**

\*Terms and Conditions apply. See Eligibility and Restrictions by scanning the QR code on page 4 (Cost Support Services).

## Personalized Support, Powered by Experience

Once the Enrollment and Consent Forms are completed and received, a dedicated team:

- Assists with prior authorization and appeals
- Coordinates delivery of the injection material
- Provides support for eligible patients through:
  - A FastStart Program when they experience a delay in coverage
  - A Bridge Program when they experience a gap in coverage
  - Co-pay assistance\*
- Provides tools, information, and reimbursement resources
- Provides injection training and support for you and your patient's caregiver
- Provides a Starter Kit to your enrolled patients

Your A·S·A·P team provides case support for insurance submissions (PAs/appeals) and reimbursement overviews for your area.

Your patient's dedicated PAL provides training, educational resources, and support to your patient and their caregiver throughout the treatment process.
